

Social Skills for Upper Elementary & Middle School Students

November 4, 2017 | 9 am—11:30 am
The Arc of Cumberland & Perry Counties (CPARC)
71 Ashland Ave.,
Carlisle, PA 17013

ABOUT THE SESSION:

This seminar will focus on a variety of social skills designed for upper elementary and middle school students. We welcome you to join us for an informative session that will provide some new ideas and strategies to help your child be the best that they can be! Some topics that will be covered include:

- Differences between home and school
 - Setting boundaries and rules
- Tips to help make homework and chores go more smoothly
 - Helping your child become more independent

ABOUT THE PRESENTER:

Mary Valderrama is beginning her fifth year as the K-3 Autism Support teacher for the Shippensburg Area School District. She earned both her Bachelor of Science in Education and Master of Education from Shippensburg University. She is certified to teach K-6 Regular Education and K-12 Special Education.

Mary is currently enrolled at Florida Institute of Technology in their Board Certified Behavior Analyst (BCBA) Approved Certificate Series. She is working towards completing her coursework, which will enable her to sit for the BCBA exam.
