

West Perry High School Student Dress Code Standards

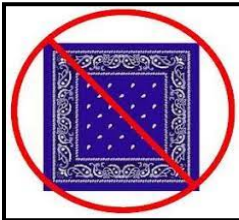

The West Perry School District recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preferences. The West Perry School District permits a wide variety of clothes to be worn by students. Appropriate dress is a decision that is made by students and their parents/guardians. This decision must be made within the parameters outlined in the student dress code guidelines.

Appropriate dress is required of all students, and students in violation of the dress code will be immediately required to change to appropriate attire. **Repeated violations of the dress code and defiance of administrative directives will be dealt with according to the Student Code of Conduct.
